Learning for Life

Free English courses from the WEA

We run courses in English especially for people who don't have English as their first language.

- Improve your speaking, listening, reading, writing and use of English in everyday situations
- Increase your confidence
- Improve your performance at work
- Work towards a national qualification
- Courses are held at or near your place of work, usually during working hours
- Courses range from beginner to advanced level
- You will receive help and support from an experienced WEA Tutor
- Some courses can help you prepare for the Citizenship Test

Want to know more about these courses?

Why not talk to your manager or ask your training and development department. You can start with an assessment to find out which course is right for you.

The WEA is a nationwide, voluntary organisation running courses for more than 95,000 adults every year, drawn from all walks of life. We are one of the largest charities in the UK and are supported by the Government through funding from the Learning and Skills Council in England. We also raise funds from other sources including the European Union and the National Lottery.
